Table D – 5P2 – Non-Traditional Completion by Program Area	101

## Introduction

The Core Indicators of Performance Report is the annual accountability document showing performance towards the goals North Carolina set up to implement the Carl D. Perkins Career and Technical Education (CTE) Act of 2006.

The purpose of the Perkins Act is to develop more fully the academic, career, and technical skills of secondary and postsecondary students who elect to enroll in career and technical education programs. More information about North Carolina's participation in the Perkins Act can be found at [www.ncperkins.org](http://www.ncperkins.org).

This annual performance report is based on data compiled from the previous year and serves to inform colleges and the public on the performance of our 58 community colleges in meeting their benchmark on each of the CTE core indicators of performance.

The NC Community College System works closely with the CTE Division of the North Carolina Department of Public Instruction to coordinate the collection of data that leads to our the indicators.

In 2007, an Accountability Committee was formed to assist in determining the appropriate postsecondary definitions and measures to be used at the State and local levels. Public hearings were held in 2007 in the west, central, and east parts of the state.

Based on the recommendations of the Accountability Committee and other stake holders, the valid and reliable measurements for postsecondary performance indicators are as follows:

- Technical Skill Attainment (1P1) – Student attainment of challenging career and technical skill proficiencies.
- Credential, Certificate, or Degree (2P1) – Student attainment of an industry-recognized credential, a certificate, or a degree.
- Student Retention and Transfer (3P1) – Student retention in postsecondary education or transfer to a baccalaureate degree program.
- Student Placement (4P1) – Student placement in military service or apprenticeship program or placement or retention in employment.
- Nontraditional Participation (5P1) – Student participation in CTE programs that lead to employment in non-traditional fields.
- Nontraditional Completion (5P2) – Student completion of CTE programs that lead to employment in non-traditional fields.

Beginning in FY 2009, each community college receiving Perkins funds was required to negotiate with the State a level of performance for each of the core indicators. This report is the recent results of the goals and actual performance for each college.

On the following pages, color indicators represent various levels of performance within each measure:

 <b>Met or exceeded the predicted level</b>	 <b>Above the baseline level, but below the predicted level</b>	 <b>Below the baseline level</b>

# Statewide Trends

## CTE Enrollment

	2015	2016	% Change
CTE Participants	131321	121745	-7.3%
CTE Concentrators	63473	61086	-3.8%

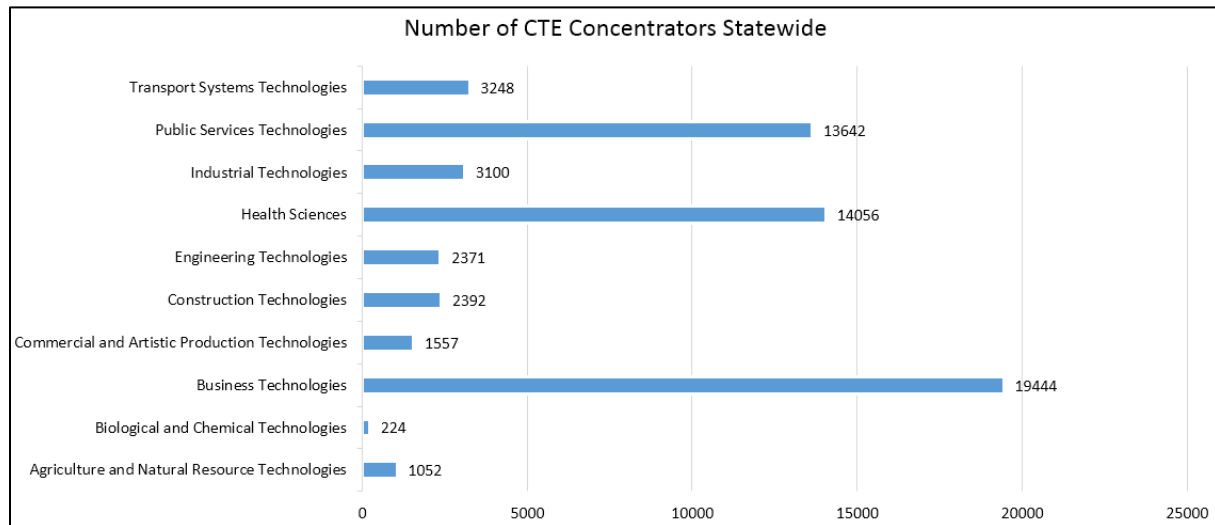

Figure 1: A CTE Concentrator is defined as any student enrolled in any semester during the reporting year in a non-transfer program area and by the end of the current reporting year has completed twelve non-developmental credit hours, six of which are in a CTE related course area.

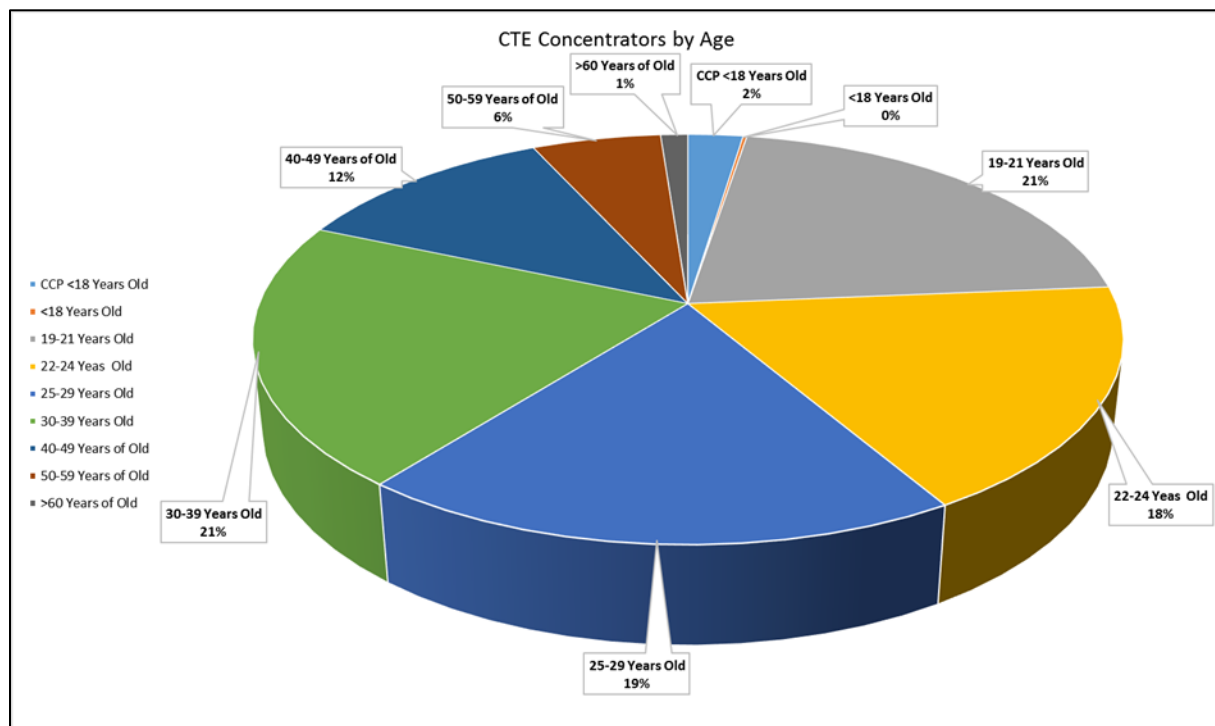

Figure 2: CTE Concentrators by Age

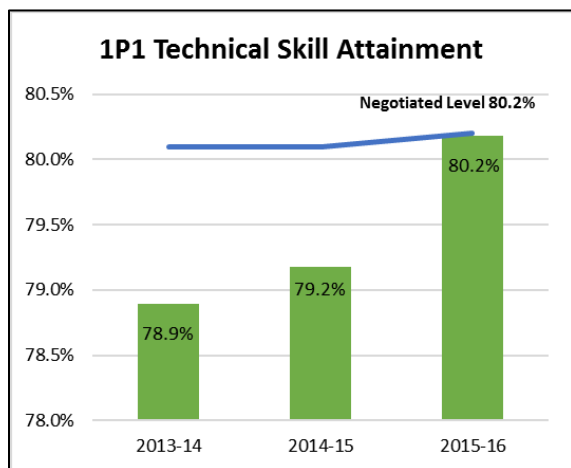

Figure 2: Percentage of CTE Concentrators with a GPA of 2.5 or higher in their CTE coursework.

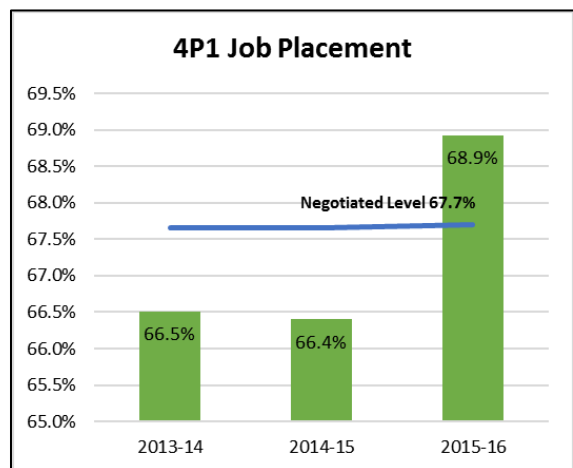

Figure 5: Percentage of CTE Concentrators placed in a job.

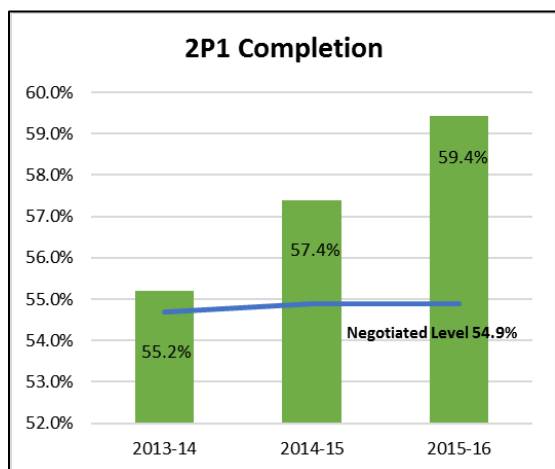

Figure 3: Percentage of CTE Concentrators who earn a certificate, diploma, or degree.

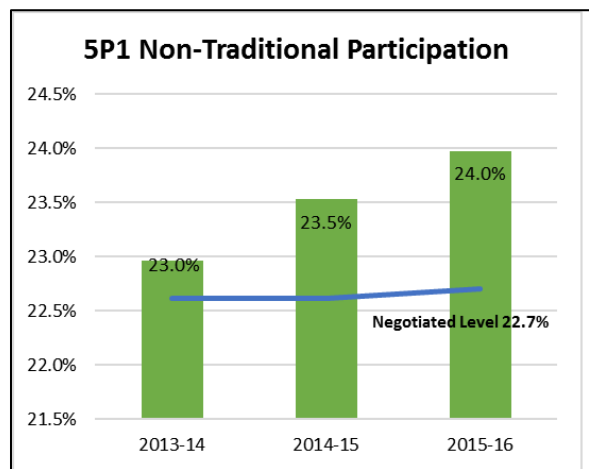

Figure 6: Percentage of CTE Participants enrolled in program that has been identified by National Alliance for Partnerships in Equity (NAPE) as being non-traditional for gender.

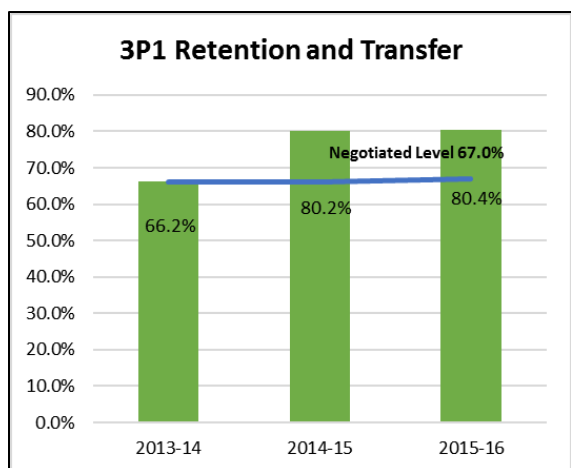

Figure 4: Percentage of CTE Concentrators who return or transfer to another institution.

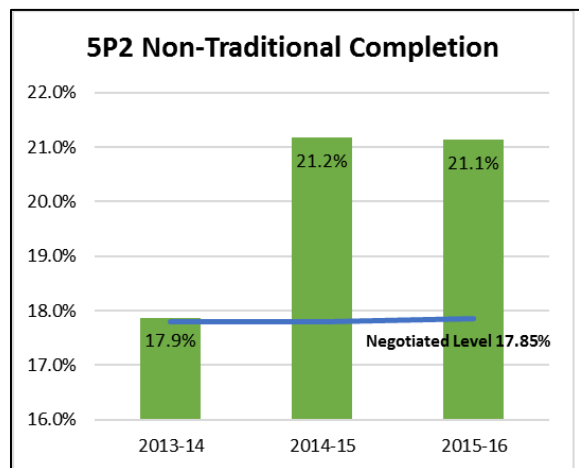

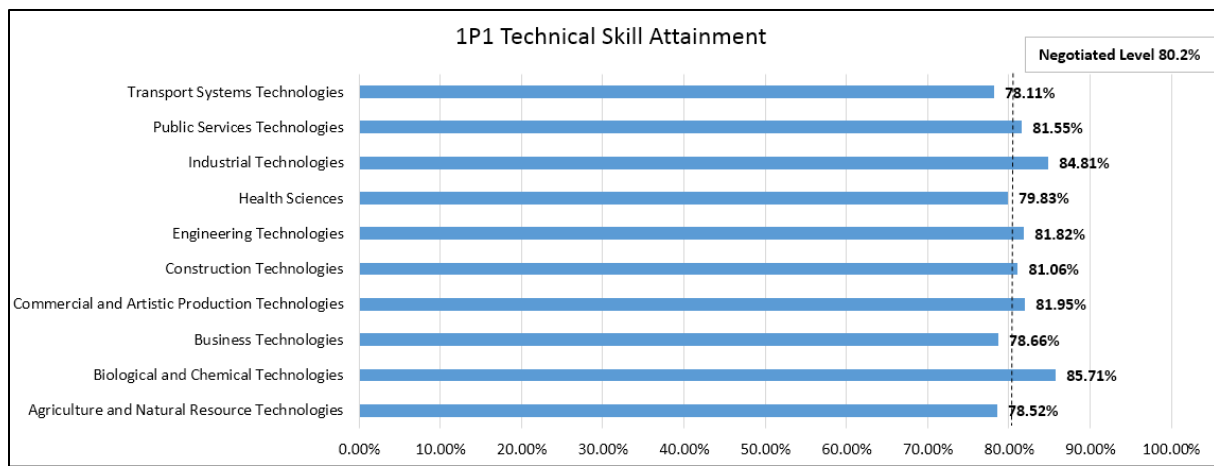

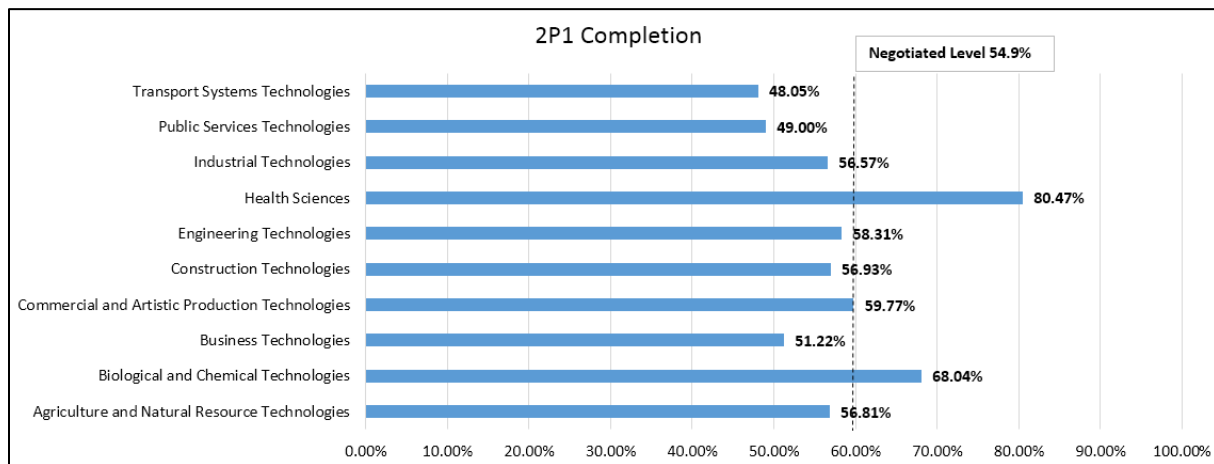

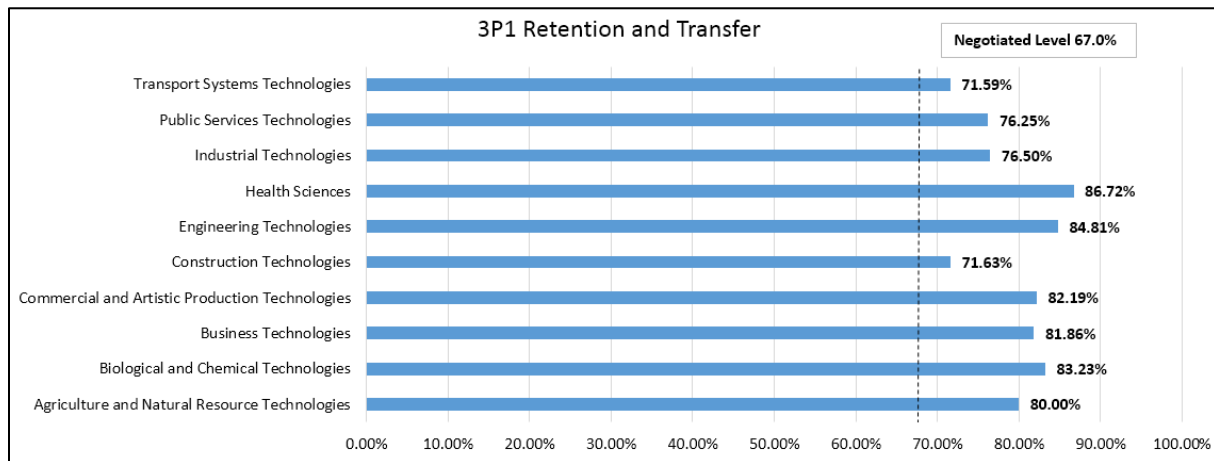

Figure 7: Percentage of CTE Concentrators that earn a certificate, diploma, or degree in a program that has been identified by NAPE as being non-traditional for gender.

*Figure 8: Performance on 1P1 by Program Area.*

*Figure 9: Performance on 2P1 by Program Area.*

*Figure 10: Performance on 3P1 by Program Area.*

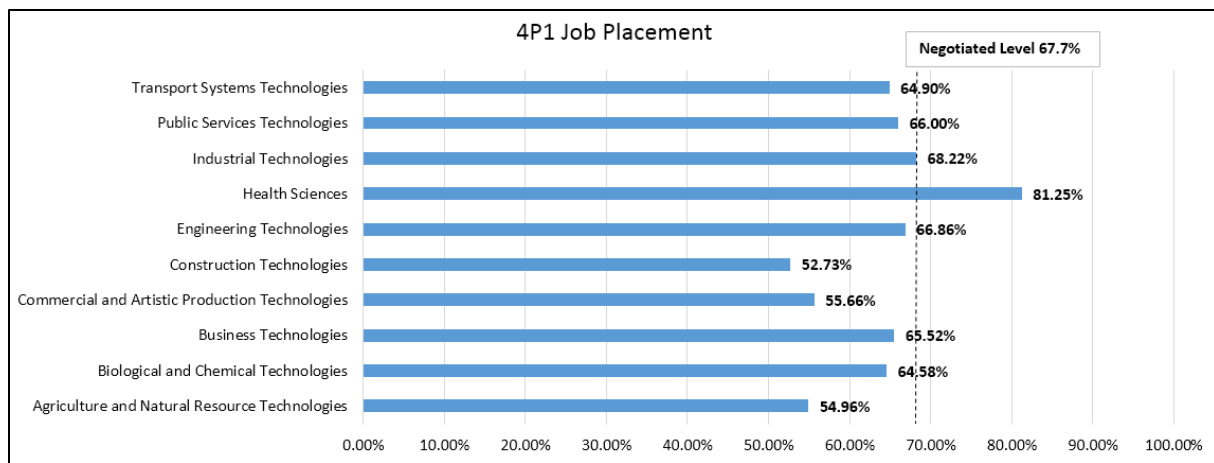

Figure 11: Performance on 4P1 by Program Area.

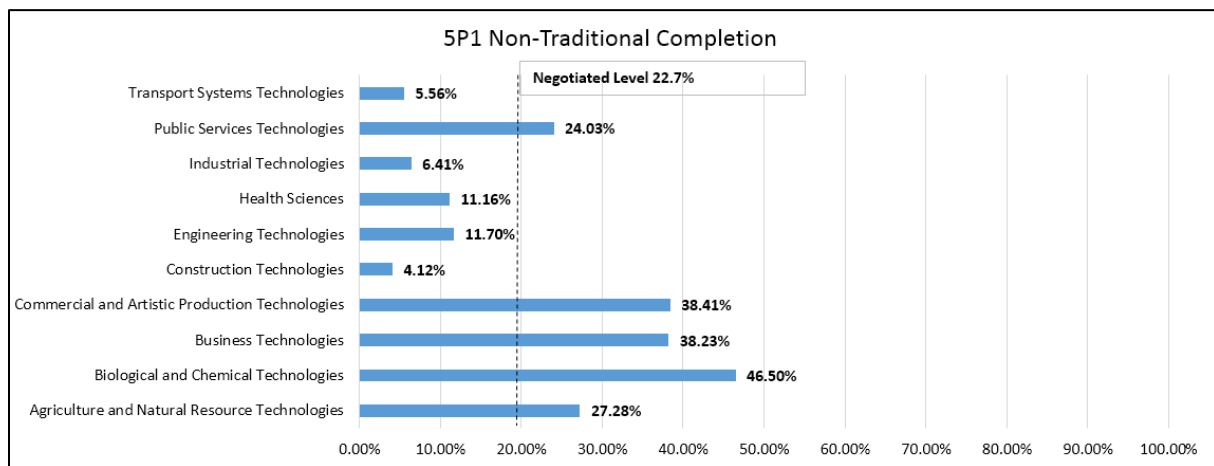

Figure 12: Performance on 5P1 by Program Area.

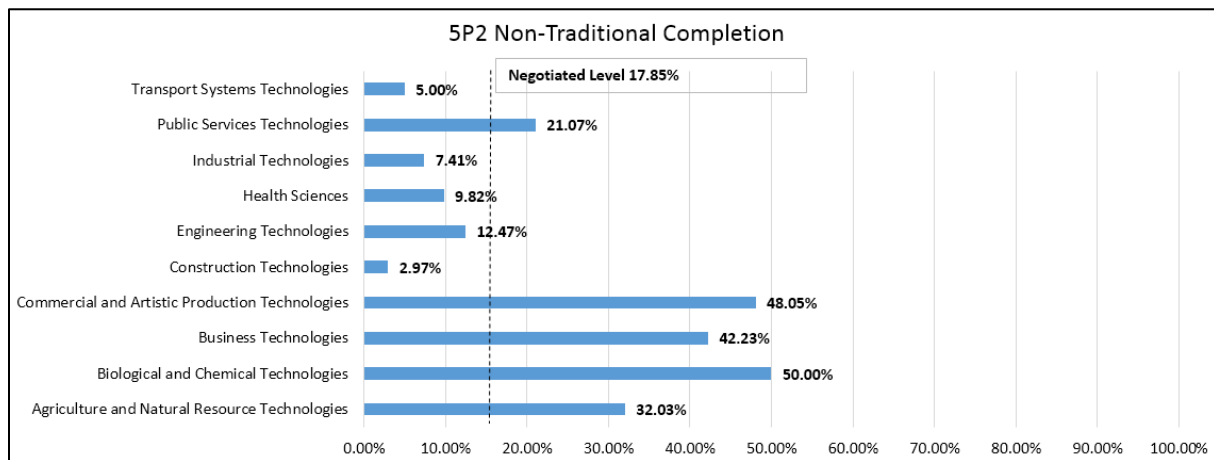

Figure 13: Performance on 5P2 by Program Area.

## 2015-2016 Performance Indicator Summary by State Levels of Performance

2022-23 Performance Indicators by County/State Level of Performance											Met or exceeded the State Negotiated Level	Within 90% of the State Negotiated Level	>10% below the State Negotiated Level

## 1P1 – Technical Skill Attainment

### Purpose

To ensure students attain challenging career and technical skill proficiencies including student achievement on technical assessments, that are aligned with industry-recognized standards.

### Description

Percentage of students who passed a technical skill assessment or who earned a GPA of 2.5 or higher.

### Methodology

Numerator: Number of concentrators in CTE who passed technical skill assessments that are aligned with industry-recognized standards, or when no skill assessment is available, an earned GPA of 2.5 or higher.

Denominator: Number of concentrators in CTE who took technical skill assessments or were enrolled during the reporting year.

### Source

Curriculum Registration, Progress, Financial Aid Report (CRPFAR) data file

### Details

Numerator: Students who have a GPA of 2.5 or higher on courses at the 100 level or higher.

Denominator: A *Concentrator* is defined as any student enrolled in any semester during the reporting year in a

Non-transfer program area and by the end of the current reporting year has completed twelve non-developmental credit hours, six of which are in CTE related course areas.

The curriculum program area is the primary active program code for the student that comes up in the CRPFA file and it cannot begin with “A10” “C10” “D10” “T90” or “P10”. CTE related courses are identified by eliminating the non-CTE courses at the course prefix level. The course prefixes eliminated are:

ACA, ANT, ARA, ART, ASL, AST, BIO, CHI, CHM, COM, DAN, DMA, DMS, DRA, DRE, ECO, ENG, FRE, GEL, GER, GEO, HEA, RED, HIS, HUM, ITA, JOU, JPN, LAT, MAT, MUS, PED, PHI, PHY, PHS, POL, POR, PSY, REL, RUS, SOC, SPA, EFL

**State Baseline: 80.2%**

## **2P1 – Credential, Certificate, or Degree**

### **Purpose**

To ensure students attain an industry-recognized credential, a certificate, or degree.

### **Description**

Percentage of students who earned an industry-recognized credential, a certificate, or degree.

### **Methodology**

Numerator: Number of concentrators in CTE who received an industry-recognized credential, a certificate, a diploma, or a degree during the reporting year.

Denominator: Number of concentrators in CTE who left postsecondary education during the reporting year.

### **Source**

Curriculum Registration, Progress, Financial Aid Report (CRPFAR) data file

### **Details**

Numerator: Students who graduate with a certificate, diploma, or a degree. Industry-recognized credentials are not possible at the individual level for data matching to our students, so completion is based only upon credentials awards by our Community Colleges.

Denominator: CTE concentrators from the previous year who did not re-enroll in the current reporting year. Concentrators are defined the same as in 1P1.

**State Baseline: 54.9%**

## 2P1 Credential, Certificate or Degree

### 3P1 – Student Retention or Transfer

#### Purpose

To ensure students complete an industry-recognized credential, a certificate, a diploma, or degree or transfer to a baccalaureate degree program.

#### Description

#### Methodology

Numerator: Number of concentrators in CTE who remain enrolled in their original postsecondary institution or transferred to another two- or four-year postsecondary institution during the reporting year and who were enrolled in postsecondary education in the fall of the previous year.

Denominator: Number of concentrators in CTE who were enrolled in postsecondary education in the fall of the previous reporting year and who did not earn an industry-recognized credential, a certificate, a diploma, or degree in the previous reporting year.

#### Source

Curriculum Registration, Progress, Financial Aid Report (CRPFAR) data file

National Student Clearinghouse

#### Details

Numerator: Those students who did not graduate the previous year are sent to the National Student Clearinghouse to see if they transferred during the current year. The enrollment at the transfer institution must begin between August 1 and May 31.

Denominator: CTE Concentrators (as defined in 1P1) who are enrolled in the fall of the previous year and who did not earn any credential during the previous year. Credentials are those awarded by the community colleges are come up in the CRPFAR.

**State Baseline: 67.00%**

## 4P1 – Student Placement

### Purpose

To ensure student placement in military service or apprenticeship programs or placement or retention in employment, including placement in high skill, high wage, or high demand occupations or professions.

### Description

Percentage of student placement into apprenticeship programs or placement or retention in employment.

### Methodology

Numerator: Number of concentrators in CTE who were placed or retained in employment, military service, or apprenticeship programs in the second quarter following the program year in which they left postsecondary education.

Denominator: Number of concentrators in CTE who left postsecondary education during the reporting year.

### Source

Curriculum Registration, Progress, Financial Aid Report (CRPFAR) data file

Employment Wage Records

### Details

Numerator: CTE Concentrators who were found to have a record of employment in the second quarter following the program year in which the student exits.

Denominator: CTE Concentrators from the previous year who did not return during the current year. These individuals are checked for employment records using the Employment Wage Records from the Department of Commerce under a Memo of Understanding (MOU) for the Common Followup System.

**State Baseline: 67.70%**

## 5P1 – Non-traditional Participation

### Purpose

To ensure student participation in career and technical education programs that lead to employment in non-traditional fields.

### Description

Percentage of CTE Participants enrolled in programs that are non-traditional for their gender.

### Methodology

Numerator: Number of CTE Participants from underrepresented gender groups who participated in a program that leads to employment in non-traditional fields during the reporting year.

Denominator: Number of CTE Participants who participated in a program that leads to employment in non-traditional fields during the reporting year.

Note: See Appendix A for a list of programs and their gender designation.

### Source

Curriculum Registration, Progress, Financial Aid Report (CRPFAR) data file

National Alliance for Partnerships in Equity (NAPE) Nontraditional Crosswalk that is loaded in the Data Warehouse

### Details

Numerator: Students whose gender does not match the majority gender in the program area as noted by NAPE.

Denominator: CTE participants for the current reporting year are selected using the following methodology:

Select all students who are not inmates and are CTE participants enrolled in a non-traditional program areas as identified by NAPE.

Participants are selected based upon the following criteria:

- a. Not enrolled in a primary academic program code of A10, C10, D10, T90, or P10.
- b. Students must attempt 6 hours of CTE courses. These courses do not include any of the following prefixes:  
ACA, ANT, ARA, ART, ASL, AST, BIO, CHI, CHM, COM, DAN, DMA, DMS, DRA, DRE, ECO, ENG, FRE, GEL, GER, GEO, HEA, RED, HIS, HUM, ITA, JOU, JPN, LAT, MAT, MUS, PED, PHI, PHY, PHS, POL, POR, PSY, REL, RUS, SOC, SPA, EFL
- c. College letter grades of NA and NS are not included, but W grades are counted.

**State Baseline: 22.70%**

## 5P2 – Non-traditional Completion

### Purpose

To ensure student completion of career and technical education programs that lead to employment in non-traditional fields.

### Description

Percentage of CTE concentrators who completed a program that is non-traditional for their gender.

### Methodology

Numerator: Number of concentrators in CTE from underrepresented gender groups who completed a program that leads to employment in nontraditional fields during the reporting year.

Denominator: Number of concentrators in CTE who completed a program that leads to employment in nontraditional fields during the reporting year.

### Source

Curriculum Registration, Progress, Financial Aid Report (CRPFAR) data file

NAPE Nontraditional Crosswalk that is loaded in the Data Warehouse

### Details

Numerator: Students whose gender does not match the majority gender in the program area as noted by NAPE.

Denominator: CTE concentrators for the current reporting year completing a nontraditional program. The non-traditional programs are noted by NAPE. Completion is identified as those having a graduate record in the CRPFAR during the current program year.

**State Baseline: 17.85%**
