Business/Accounting Pathway

Arts and Sciences

MULTIPLE LOCATIONS | VARIED SEMESTER LENGTHS | NUMEROUS PROGRAMS | FINANCIAL AID

Associate in Arts: Business/Accounting Pathway

All Pathways are designed to transfer to a four-year institution for eventual completion of a BA/BS degree.

The field of business and/or accounting prepares graduates to enter the business workforce and is a superb underpinning for further studies in business, economic, political, and social arenas. Specific fields graduates may pursue include entrepreneurship, finance, banking, taxes, global business, leadership, marketing, and operations management.
