How to Use this Report

This report has been compiled to assist colleges in developing and writing their Perkins local plan and budget for the 2018-19 program year.

Each college should assemble their chief academic officer, deans of career and technical education, faculty, and other support staff to examine the data in this report and develop a plan to address program improvement with the ultimate goal of improving student achievement.

More information about North Carolina's participation in the Perkins Act can be found at www.ncperkins.org.

Introduction

The purpose of the Carl D. Perkins Career and Technical Education (CTE) Act of 2006 is to develop more fully the academic, career, and technical skills of secondary and postsecondary students who elect to enroll in career and technical education programs.

This *Core Indicators of Performance Report* is the annual accountability document showing CTE student performance towards the goals North Carolina created to implement the Perkins Act at the postsecondary level for the 2016-2017 academic year.

Each year the community colleges negotiate with the State a level of performance, or goal for each of the six core indicators.

This report serves to inform colleges and the public on the performance of the 58 community colleges in meeting their goals. Higher goals and increased performance lead the colleges toward continuous improvement.

In 2007, an Accountability Committee was formed to assist in determining the appropriate postsecondary definitions and measures to be used at the state and local levels. Public hearings were held in 2007 in the western, central, and eastern parts of the state.

Based on the recommendations of the Accountability Committee and other stakeholders, the valid and reliable measurements for postsecondary performance are as follows:

1P1 - Technical Skill Attainment – Student attainment of challenging career and technical skill proficiencies.

2P1 - Credential, Certificate, or Degree Attainment – Student attainment of an industry-recognized credential, a certificate, or a degree.

3P1 - Student Retention and Transfer – Student retention in postsecondary education or transfer to a baccalaureate degree program.

4P1 - Student Placement – Student placement in employment, military service, or apprenticeship program.

5P1 - Nontraditional Participation – Student participation in CTE programs that lead to employment in gender-nontraditional fields.

5P2 - Nontraditional Completion – Student completion of CTE programs that lead to employment in gender-nontraditional fields.

On the following pages, arrows and color indicate various levels of performance within each measure:

Met or exceeded the negotiated level of performance

Below, but within 10% of the negotiated level of performance

More than 10% below the negotiated level of performance

Statewide CTE Concentrators by Age

CTE Participants have attempted at least six hours of CTE courses. See the full definition on page 72.

CTE Concentrators have completed twelve non-developmental credit hours, six of which are in CTE courses. See the full definition on page 8.

	2012-13	2013-14	2014-15	2015-16	2016-17
CTE Participants	119,169	134,181	131,321	121,745	94,370
CTE Concentrators	90,388	64,699	63,473	61,086	60,007

1P1 – Technical Skill Attainment

Purpose

To ensure students attain challenging career and technical skill proficiencies, including student achievement on technical assessments, that are aligned with industry-recognized standards.

Description

Percentage of students who passed a technical skill assessment or who earned a GPA of 2.5 or higher.

Methodology

Numerator: Number of CTE Concentrators who passed technical skill assessments that are aligned with industry-recognized standards, or when no skill assessment is available, earned a GPA of 2.5 or higher.

Denominator: Number of CTE Concentrators who took technical skill assessments or were enrolled during the reporting year.

Source

Curriculum Registration, Progress, Financial Aid Report (CRPFAR) data file.
Grades Data file.

Details

Numerator: Students who have a GPA of 2.5 or higher on courses at the 100 level or higher.

Denominator: Number of CTE Concentrators who were enrolled during the reporting year.

A **CTE Concentrator** is defined as any student enrolled in any semester during the reporting year in a non-transfer program area, and by the end of the current reporting year has completed twelve non-developmental credit hours, six of which are in CTE (Career and Technical Education)-related course areas.

The curriculum program area is the primary active program code for the student reported in the CRPFAR file. This does not include students with a code that begins with A10, C10, D10, T90, or P10. CTE-related courses are identified by eliminating the non-CTE courses that begin with the following prefixes:

ACA, ANT, ARA, ART, ASL, AST, BIO, CHI, CHM, COM, DAN,
DMA, DMS, DRA, DRE, ECO, ENG, FRE, GEL, GER, GEO, HEA,
RED, HIS, HUM, ITA, JOU, JPN, LAT, MAT, MUS, PED, PHI, PHY,
PHS, POL, POR, PSY, REL, RUS, SOC, SPA, EFL

The State Negotiated Level for 1P1 for 2016-2017 is 80.20%

The colored arrows in the 2016-17 column indicate how each college compares to the state negotiated level.

Up-arrow indicates *above* the state level.

Sideways-arrow indicates *below, but within 10 percent* of the state level.

Down-arrow indicates *more than 10 percent below* the state level.

1P1 Technical Skill Attainment Statewide Trends

1P1 Technical Skill Attainment by Program Area 2016-2017

2P1 – Credential, Certificate, or Degree Attainment

Purpose

To ensure students attain an industry-recognized credential, a certificate, or degree.

Description

Percentage of CTE Concentrators who did not return to NCCCS for the current year but earned an industry-recognized credential, a certificate, a diploma, or a degree in a CTE Program Area during the previous reporting year.

Methodology

Numerator: Number of concentrators in CTE who received an industry-recognized credential, a certificate, a diploma, or a degree during the reporting year.

Denominator: Number of concentrators in CTE who left postsecondary education during the reporting year.

Source

Curriculum Registration, Progress, Financial Aid Report (CRPFAR) data file.

Details

Numerator: Students who graduate with a certificate, diploma, or a degree. Industry-recognized credentials are not possible at the individual level for data matching to our students, so completion is based only upon credentials awards by our Community Colleges.

Denominator: CTE concentrators from the previous year who did not re-enroll in the current reporting year.

See the definition of *CTE Concentrator* in the 1P1 section on page 8.

The State Negotiated Level for 2P1 for 2016-2017 is 54.90%

The colored arrows in the 2016-17 column indicate how each college compares to the state negotiated level.

Up-arrow indicates *above* the state level.

Sideways-arrow indicates *below, but within 10 percent of* the state level.

Down-arrow indicates *more than 10 percent below* the state level.

2P1 Credential, Certificate, or Degree Attainment Statewide Trends

2P1 Credential, Certificate, or Degree Attainment by Program Area 2016-2017

3P1 – Student Retention or Transfer

Purpose

To ensure students complete an industry-recognized credential, a certificate, a diploma, or degree OR transfer to a baccalaureate degree program.

Description

Percentage of CTE Concentrators from the previous reporting year who did not earn an industry-recognized credential, a certificate, a diploma, or degree during the previous reporting year, but remained enrolled in postsecondary education.

Methodology

Numerator: Number of CTE Concentrators who remained enrolled in their original postsecondary institution or transferred to another two- or four-year postsecondary institution during the reporting year and who were enrolled in postsecondary education in the fall of the previous year.

Denominator: Number of CTE Concentrators who were enrolled in postsecondary education in the fall of the previous reporting year and who did not earn an industry-recognized credential, certificate, diploma, or degree in the previous reporting year.

Source

Curriculum Registration, Progress, Financial Aid Report (CRPFAR) data file.
National Student Clearinghouse.

Details

Numerator: Those students who did not graduate the previous year are sent to the National Student Clearinghouse to see if they transferred during the current year. The enrollment at the transfer institution must begin between August 1 and May 31.

Denominator: CTE Concentrators who are enrolled in the fall of the previous year and who did not earn any credential during the previous year. Credentials are those awarded by the community colleges shown in the CRPFAR.

See the definition of *CTE Concentrator* in the 1P1 section on page 8.

The State Negotiated Level for 3P1 for 2016-2017 is 75.00%

The colored arrows in the 2016-17 column indicate how each college compares to the state negotiated level.

Up-arrow indicates *above* the state level.

Sideways-arrow indicates *below, but within 10 percent* of the state level.

Down-arrow indicates *more than 10 percent below* the state level.

3P1 Student Retention or Transfer Statewide Trends

3P1 Student Retention or Transfer by Program Area 2016-2017

4P1 – Student Placement

Purpose

To ensure student placement in military service or apprenticeship programs or placement or retention in employment, including placement in high skill, high wage, or high demand occupations or professions.

Description

Percentage of student placement into apprenticeship programs or placement or retention in employment.

Methodology

Numerator: Number of concentrators in CTE who were placed or retained in employment, military service, or apprenticeship programs in the second quarter following the program year in which they left postsecondary education.

Denominator: Number of concentrators in CTE who left postsecondary education during the reporting year.

Source

Curriculum Registration, Progress, Financial Aid Report (CRPFAR) data file.
Employment Wage Records.

Details

Numerator: CTE Concentrators who were found to have a record of employment in the second quarter following the program year in which the student exits.

Denominator: CTE Concentrators from the previous year who did not return during the current year. These individuals are checked for employment records using the Employment Wage Records from the Department of Commerce under a Memo of Understanding (MOU) for the Common Follow-up System.

See the definition of *CTE Concentrator* in the 1P1 section on page 8.

The State Negotiated Level for 4P1 for 2016-2017 is 67.70%

The colored arrows in the 2016-17 column indicate how each college compares to the state negotiated level.

Up-arrow indicates *above* the state level.

Sideways-arrow indicates *below, but within 10 percent of* the state level.

Down-arrow indicates *more than 10 percent below* the state level.

4P1 Student Placement Statewide Trends

4P1 Student Placement by Program Area 2016-2017

5P1 – Nontraditional Participation

Purpose

To ensure student participation in career and technical education programs that lead to employment in gender-nontraditional fields.

Description

Percentage of CTE Participants enrolled in programs that are nontraditional for their gender.

Methodology

Numerator: Number of CTE Participants from underrepresented gender groups who participated in a program that leads to employment in gender-nontraditional fields during the reporting year.

Denominator: Number of CTE Participants who participated in a program that leads to employment in gender-nontraditional fields during the reporting year.

Source

Curriculum Registration, Progress, Financial Aid Report (CRPFAR) data file.
National Alliance for Partnerships in Equity (NAPE) Nontraditional Crosswalk that is loaded in the Data Warehouse.

Details

Numerator: Students whose gender does not match the majority gender in the program area as noted by NAPE.

Denominator: CTE participants, not including inmates, who are enrolled in a gender-nontraditional program area as identified by NAPE.

CTE Participants are any current student who is not enrolled in a primary academic program code of A10, C10, D10, T90, or P10. CTE Participants must have attempted at least 6 hours of CTE courses. College letter grades of NA and NS are not included, but W grades are counted.

These CTE courses do not include any of the following prefixes:

ACA, ANT, ARA, ART, ASL, AST, BIO, CHI, CHM, COM, DAN, DMA, DMS, DRA, DRE, ECO, ENG, FRE, GEL, GER, GEO, HEA, RED, HIS, HUM, ITA, JOU, JPN, LAT, MAT, MUS, PED, PHI, PHY, PHS, POL, POR, PSY, REL, RUS, SOC, SPA, EFL

The State Negotiated Level for 5P1 for 2016-2017 is 5.95%

The colored arrows in the 2016-17 column indicate how each college compares to the state negotiated level.

Up-arrow indicates *above* the state level.

Sideways-arrow indicates *below, but within 10 percent of* the state level.

Down-arrow indicates *more than 10 percent below* the state level.

5P1 Nontraditional Participation Statewide Trends

5P1 Nontraditional Participation by Program Area 2016-2017

5P2 – Nontraditional Completion

Purpose

To ensure student completion of career and technical education programs that lead to employment in gender-nontraditional fields.

Description

Percentage of CTE Concentrators who completed a program that is nontraditional for their gender.

Methodology

Numerator: Number of CTE Concentrators from underrepresented gender groups who completed a program that leads to employment in gender-nontraditional fields during the reporting year.

Denominator: Number of CTE Concentrators who completed a program that leads to employment in gender-nontraditional fields during the reporting year.

Source

Curriculum Registration, Progress, Financial Aid Report (CRPFAR) data file. NAPE Nontraditional Crosswalk that is loaded in the Data Warehouse.

Details

Numerator: Students whose gender does not match the majority gender in the program area as noted by NAPE.

Denominator: CTE Concentrators for the current reporting year completing a gender-nontraditional program. The gender-nontraditional programs are noted by NAPE. Completion is identified as those having a graduate record in the CRPFAR during the current program year.

See the definition of *CTE Concentrator* in the 1P1 section on page 8.

The State Negotiated Level for 5P2 for 2016-2017 is 14.50%

The colored arrows in the 2016-17 column indicate how each college compares to the state negotiated level.

Up-arrow indicates *above* the state level.

Sideways-arrow indicates *below, but within 10 percent of* the state level.

Down-arrow indicates *more than 10 percent below* the state level.
